

The Golf GTI Edition 30

Some illustrations in this brochure do not necessarily reflect UK specifications and may not be available. In particular, controls and some items of equipment are positioned differently for the UK. The specifications contained in this brochure are for information purposes only and are subject to change. If you require any specific feature, you must consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Please check model availability and full specification details with your authorised Volkswagen retailer prior to ordering.

01 The interior of the Golf GTI Edition 30 automatic DSG is instantly recognisable with its unique sport seats in 'Interlagos' cloth upholstery with side bolsters in 'Vienna' leather. Interior shown has optional radio system RCD 500 and front centre armrest with storage compartment.

02 The rear light clusters are darkened to perfectly match the striking overall appearance of the Golf GTI Edition 30.

03 Passion – the gear knob in 'golf ball' design pays homage to the original GTI of 1976.

04 The door sill strip with 'Edition 30' logo underlines the exclusive and individual style of the new Golf GTI Edition 30.

Legend.

Since 1976, three letters have stood for the ultimate driving experience: GTI.

And the new **Golf GTI Edition 30** proudly exhibits its pedigree. Not only does it catch the eye with its dynamic exterior, but it is more powerful than any previous GTI. With its lowered sports suspension, body-coloured bumpers, bump strips, door mirrors and handles, striking rear, side and front spoilers and the honeycomb grille, it embodies what has always distinguished a GTI: an uncompromising passion for sportiness.

Powered by a 2.0 litre T-FSI engine with an exceptional 230 PS and a six speed manual gearbox – or optional six speed DSG gearbox – it transmits **pure power to the stylish 18 inch 'Pescara' alloy wheels with 225/40 R18 tyres**, driving it from 0-62 mph in just 6.8 seconds. And the exhaust system with twin tailpipes makes it unmistakably clear who calls the tune.

Inside, the new Golf GTI Edition 30 combines classic GTI interior with sporty comfort. The individually adjustable and heated front sports seats feature the legendary GTI 'Interlagos' cloth upholstery with side bolsters in 'Vienna' leather, offering optimum lateral support. The three-spoke leather trimmed steering wheel, complete with red stitching and GTI logo, has been ergonomically designed for a particularly dynamic driving style, and together with the 2Zone electronic climate control makes sure that you keep a cool head during every journey. Unique 'Edition 30' badging, front and rear carpet mats with red edging and aluminium-look pedals complete a look that is sure get your pulse racing, but the only way to truly understand its power and charisma is to drive it for yourself. Experience an automotive legend – in the most powerful Golf GTI of all time.

- 1) The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS figure by 1.0139.
- 2) Figures are calculated in accordance with manufacturer's criteria. Vehicle unladen weight ranges with 90% tank capacity without driver. The individual unladen weight depends on the specification of the vehicle, this then reduces the possible payload accordingly.
- 3) With increasing altitude the engine performance diminishes. From 1,000 m above sea level and for every 1,000 m thereafter 10% of the vehicle/trailer weight (trailer weight + gross vehicle weight) must be deducted.
- 4) Where the law permits.
- 5) Thanks to the knock control, unleaded four star (at least 95 RON) can be used instead of unleaded Super plus. In order to achieve maximum fuel consumption benefits on the FSI engine, Ultra Low Sulphur Petrol (ULSP) must be used.
- 6) Official fuel consumption according to EU Directive 99/94. The consumption calculation according to 1999/100/EC is based on the actual unladen weight of the vehicle. Additional specifications can lead to a higher weight class and hence to consumption figures of this higher weight class. The driving style, road and traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures, which may differ from those calculated with this standard.
- 7) The weight of a vehicle will influence the level of CO₂ emission it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂. The CO₂ figure quoted for each vehicle is the maximum possible. The unladen weight of the vehicle is calculated by range at the time of manufacture and the maximum possible CO₂ emission for that weight range is applied according to the Council Directive 80/1268EEC as amended by Commission Directive 1999/100/EC on the approximation of the laws of the member states relating to the carbon dioxide emissions and the fuel consumption of motor vehicles.

Volkswagen service for your peace of mind.

The Volkswagen Warranty.

Three-year Warranty.

All Volkswagen Golf GTI Edition 30s come with a three-year/60,000 miles warranty, which protects your car against the failure of most mechanical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. If an additional warranty for subsequent years or higher mileage is desired, it may be purchased from an authorised Volkswagen retailer or repairer; however, this additional warranty must be purchased before the mileage reaches 60,000*. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

* All warranty work must be completed by an authorised Volkswagen retailer or repairer.

Three-year Paint Warranty.

The paintwork of the Golf GTI Edition 30 is covered against manufacturing defects for a period of three years. Naturally, the Golf GTI Edition 30 must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

12-year Body Protection Warranty.

The internal body sections and panels of the Golf GTI Edition 30s are covered against rusting through from the inside for 12 years. Naturally, the Golf GTI Edition 30 must be cared for in compliance with the operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

Approved Accessories.

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

Extended Warranty.

You may purchase additional protection from your authorised Volkswagen retailer or repairer, or contact 0870 9000 115.

Service Intervals.

Volkswagen are pleased to offer you a choice on how your Golf GTI Edition 30 is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

The Time and Distance Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Time and Distance Service are as follows:

- Oil change service
Every 10,000 miles/1 year (whichever is soonest).
- Interval service
Every 20,000 miles/2 years (whichever is soonest).
- Interval service inspection
Every 40,000 miles/4 years (whichever is soonest).

The LongLife Service is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

With the LongLife Service the vehicle can cover anywhere between 10,000[†] and a maximum of 20,000[†] miles or 24 months (whichever is soonest).

[†] Please note that mileages are approximate as the service indicator system uses kilometres as the distance measurement. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Tax Free Sales.

For full details, please contact your authorised Volkswagen retailer.

CO₂ Emission.

The weight of a vehicle will influence the level of CO₂ emission it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂.

The CO₂ figure quoted for each vehicle is the maximum possible. The unladen weight of the vehicle is calculated by range at the time of manufacture and the maximum possible CO₂ emission for that weight range is applied according to the Council Directive 80/1268EEC as amended by Commission Directive 1999/100/EC on the approximation of the laws of the member states relating to the carbon dioxide emissions and the fuel consumption of motor vehicles.
