MAZDA RX-8 NEMESIS

MEET YOUR NEMESIS

ZOOMA-ZOOMA

A THRILLING DRIVE

There are no sports coupés more exciting and enticing than the Mazda RX-8. Whether you're after stunning good looks, superb driving dynamics or pure exhilaration, the Mazda RX-8 has it all. And now, with the new, special edition Mazda RX-8 Nemesis, Britain's favourite sports car brand has made an already desirable car even more desirable. With its greater sports styling, unique paint colours and outstanding bespoke features, it's the envy of the road – a car that takes the thrill of driving to a new level. It's time to meet your Nemesis.

DISTINCTIVE DESIGN

With the Mazda RX-8 Nemesis, which seats four adults comfortably, comes one of the Mazda RX-8's stand-out features – its radical freestyle door system. It not only makes the back seats even more accessible, it also looks stunning, gives the car unexpected edge and makes the unique, luxurious stone-coloured leather interior even more inviting. Perfectly complementing the look are stylish aluminium scuff plates and branded carpet mats.

STYLE AND SUBSTANCE

There's no doubt that the Mazda RX-8 Nemesis is striking. In addition to the sleek bodywork and 18" alloy wheels are special, defining features that include a polished aluminium rotary crest integrated into the front spoiler and sporty polished aluminium outlet fins. But this car is about a lot more than just good looks. Beneath the muscular exterior lies the multi-award-winning RENESIS rotary engine, driving the rear wheels and delivering perfect 50:50 weight distribution for class-leading handling. With 192ps behind it, the car accelerates effortlessly from 0-62mph in just 7.2 seconds – a performance backed up by a full set of safety features. Inside, a premium BOSE® audio system with surround sound, 6-CD autochanger and steering wheel controls sets the standard for all the interior equipment, which is so sophisticated and comprehensive, you won't want for anything.
